**Importance:** High

Noah – Per my voice mail, I need to schedule a briefing with Martin who is scheduled to meet with the San Juan County Commissioners on Wednesday, April 23<sup>rd</sup> in Silverton. I would like to schedule the meeting latter part of next week (**April 10-11**) or **April 14-16** the following week. There are a number of EPA staff that need to be invited to this meeting. Some of them are essential and some are not as essential. If you have any questions, please let me know ASAP. Thanks.

**Superfund Remedial Program:** Paula Schmittiel, Dan Wall, Steve Wharton, Bill Murray - *If Steve W. isn't available, Bill should attend.*

**OCPI:** Libby Faulk

**Superfund Removal Program:** Steve Way, Laura Williams, David Ostrander – *Steve will be out the next 2 weeks so either Laura or David should attend.*

**Site Assessment Program:** Sabrina Forrest, Victor Ketellapper, Johanna Miller – *If Victor isn't available, then Johanna should attend or Sabrina.*

**Enforcement Program:** Richard Sisk, Mike Rudy, Andrea Madigan, Aaron Urdiales - *Either Andrea or Aaron should attend in addition to Richard.*

Staff that are redlined are essential for the meeting.

I am in today but out tomorrow – Friday off. If you need to you can call me tomorrow on my cell phone.
